Greetings,

Thank you for inquiring about the Slide Fee Discount Program offered at AmberMed Medical Clinic. The Slide Fee Program helps reduce the cost of services for you and your household members. If interested, you should complete the Slide Fee Application and sign the Declaration of Income/No Income form and return them to the AmberMed Medical Clinic within 45 days of the first eligible visit.

Eligibility for the Slide Fee Discount Program is determined by two factors: household size and income.

A household is defined as "all person(s) related by birth, marriage, or adoption who reside together, dependents, and others in the same tax household." Unrelated persons in the home or other tax filers are not included but may apply separately for themselves and their dependents.

Households should provide verification of income from all sources, whether "earned" or "unearned," within the 45 day time frame. Examples of "earned" and "unearned" income are below. Note, this list is not exhaustive of all income sources. Patients may be asked to provide additional information to verify the household's income.

Earned Income:	**Unearned Income:**
Wages	Unemployment
Paystubs	Social Security (SSDI, SSI, Retirement)
W2s	Alimony
Employer Wage Statements	Gift
Self-employment income	Retirement/pensions/IRA/private distributions
Current tax returns (all schedules)	VA Benefits/Military Pay
Bank Statements	Workman's Compensation

If you have questions or would like to schedule an appointment to discuss your options call the AmberMed Medical Clinic at (785) 675-3018.

Sincerely,

Alydia Offutt, Community Resources
